Section B: NOMINEE'S CONTRIBUTION

Describe how the nominee has made distinguished, sustained and exceptional contributions and played a strategic role in the development of Singapore through the promotion and management of R&D.

Please address the points B.1, B.2 and B.3 **where appropriate** and include other notable aspects of the Nominees work towards the development of Singapore through the promotion and management of R&D. You may use separate sheet if space is insufficient.

Please also attach a copy of the Nominee's Curriculum Vitae (CV) to support the nomination.

(B.1) Contribution and impact of the Nominee's work resulting in significant scientific, technological or economic benefits in Singapore. (E.g. enhancement of national competitiveness in the industrial or services sectors, job creation, attraction of new R&D projects to Singapore and growth of new clusters of technological competencies etc.)

(B.2) Contribution of the Nominee's work ranging from the management of R&D resources to the training and development of R&D professionals (E.g. deployment of innovative breakthrough technology, ideas or practices etc.)

(B.3) Impact of the Nominee's work in the nurturing of an R&D culture and the establishment of R&D infrastructure to enhance the reputation and strengths of Singapore as a world class international R&D hub.
