

Low-Carbon Energy Research Funding Initiative (LCER FI) **First Grant Call**

With overwhelming demand from the community for the Open Grant Call on 25 Jan 2021, LCER FI Secretariat in A*STAR is **including a new Tier of projects with Enhanced Grant Call Quantum and extension of submission deadline.**

Grant Call Information

- Open to CCUS & Hydrogen projects at TRL 1 – 3 (low) for proof of concept and TRL 4 – 6 (medium) for test-bedding and eventual demonstration
- Funding duration: 3 years
- ***Enhanced Grant Call Quantum*:** up to \$10 million/project for Tier 1, and up to \$4 million/project for Tier 2. Both Tiers are for a period up to 3 years.

All funded projects should propose cost-effective CCUS & Hydrogen technological solutions and demonstrate value in delivering carbon abatement.
