Operation Stronghold (SDL)

Operation Stronghold represents A*STAR's united response to the COVID-19 pandemic. The GIS led an all-of-A*STAR effort to set up the Stronghold Diagnostics Labs (SDLs) in record time, working with key partners NUHS and Temasek Holdings. One of Singapore's largest COVID-19 testing facilities, SDL recently received a visit from DPM Heng Swee Keat (see <https://www.a-star.edu.sg/News-and-Events/a-star-news/news/covid-19/stronghold-diagnostics-lab-boosts-national-capacity-for-covid-19-testing>)
