

# GIS COLLEAGUES AWARDED FOR SIGNIFICANT CONTRIBUTIONS IN 2022

*GIS Super Team awardees: NPM Phase 2 (GRIDS, NPCO and EXTRACT Team)*

The Genome Institute of Singapore held its annual Town Hall on 26 July 2023. An award ceremony was incorporated in the event, recognising groups and individuals that had made significant contributions to research, or shown outstanding performance and achievements in the previous year (2022).

Below are the awardees under the various categories:

## GIS Super Team 2022

- NPM Phase 2 (GRIDS, NPCO and EXTRACT Team)
- GIS Recreation Club Committee
