

Obtaining a Trial Account

- Contact Sarah and Jack (Genome Institute of Singapore) to acknowledge agreement of use.
 - Sarah: ngbhs@gis.a-star.edu.sg
 - Jack: owil@gis.a-star.edu.sg
- After agreeing to the terms of use, you will receive an email informing you that a DNAnexus account has been created for you, typically within 3 business days.
- Follow the instructions given in the email to activate your account.

Creating a Project

- Log into the DNAnexus platform.
- Click the blue “Create New Project” button.
- Select chorus_beta as the billing account.
