

Please kindly follow these steps:-

1. Click on the following link [Home](#)
2. After clicking on the link, you will see the following landing page

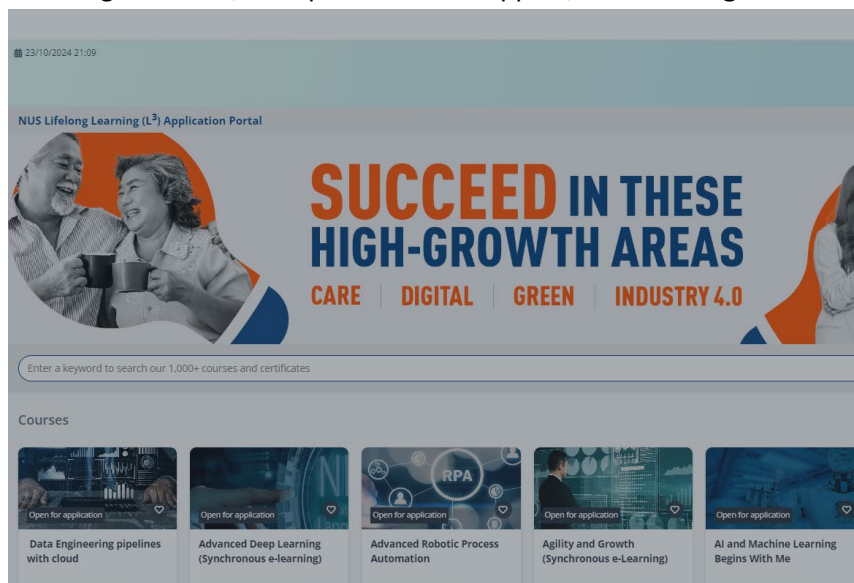

<https://l3ap.nus.edu.sg>

3. Click on **Filters** (circled in blue)

4. After clicking on **Filters**, a dropdown list will appear, click **Training Unit**

Filters

> Area of interest

> Training unit

> Type of course

> Course date

> Applicable grant

> Delivery mode

Only display courses open for application

5. After clicking on **Training Unit**, scroll down to find **“Duke-NUS Medical School”** and check the box beside it and click **Apply** at the bottom of the page (circled in blue)

The screenshot shows a 'Filters' sidebar with the following sections:

- Area of interest
- Training unit (1 selected):
 - Input keyword
 - College of Design and Engineering (CDE)
 - College of Humanities & Sciences (CHS)
 - Duke-NUS Medical School
 - Faculty of Law (FoL)
 - Faculty of Arts & Social Sciences (FASS)
 - Faculty of Dentistry (FoD)
- Type of course
- Course date
- Applicable grant
- Delivery mode

At the bottom of the sidebar, there is a checkbox for 'Only display courses open for application' and three buttons: 'Clear all', 'Cancel', and 'Apply' (which is circled in blue).

6. After clicking on **“Apply”**, you will be able to see the listed workshops which are open for application

The screenshot shows a grid of 11 workshop cards under the heading 'Courses'. Each card includes a title, dates, and a 'Short course' button. The cards are:

- An Introduction to Product Development and Quality Management Systems for ...
- Biodesign Bootcamp: Deep Dive Into HealthTech Innovation With An End in ...
