Where Deep-Tech Venture Building Happens

MORE THAN ~300 STARTUPS & SPINOFFS SUPPORTED Since 2016

ENVISION GLOBAL

Building the next generation of deep-tech, world-class businesses. "From Lab to Market, Singapore to the World."

A scale-up sprint: move from builder to leader, align strategy, and leverage sector insights for growth.

ESSENTIALS

ELEVATE

18 modules in 16 weeks with 80+ experts—an Essential(s') journey ending in a pitch to 50+ investors.

LUCK Level Up Competencies Kit

In 4 weeks and 4 focused modules, L.U.C.K turns technical leads into entrepreneurial decision-makers.

ASPIRE

Our talent-matching programme helps scientists and founders find their perfect fit.

Each participant delivers a sharp 3-minute pitch, followed by a 2-minute Q&A to test clarity, conviction, and creativity under pressure.

OPEN MIKE

With the help of our Startup Champions, who don't just support startups, but play a pivotal role in shaping Singapore's next wave of science-driven ventures
