

A*STAR Scholarship Award Ceremony 2023

TALENTS FOR SCIENCE

4 August 2023, Friday

Congratulations Class of 2023

Programme

4.30pm	Commencement of Ceremony
4.35pm	Opening Speech by Guest-of-Honour Dr Tan See Leng Minister for Manpower Second Minister for Trade & Industry
4.45pm	Scholarship Award Presentation
5.10pm	Sharing by A*STAR's Deployed Scholar Dr Ang Hwee Ching Deputy Chief Executive Officer The Experimental Drug Development Centre
5.20pm	Redefine the Possibilities of Science
5.25pm	End of Ceremony <i>Dinner buffet to follow</i>

**programme is subjected to changes*

Message from

our Executive Director

As our world evolves with societal and technological changes, we must remember that Research, Innovation, and Enterprise remain cornerstones of our nation's competitiveness and success.

People are our greatest asset in this endeavour, forming the scientific talent that make impactful breakthroughs possible for Singapore, Singaporeans and Science. We must continue to nurture and grow this pool of people with a passion for R&D and an even greater desire to create a better future for all.

With that in mind, congratulations on your well-deserved A*STAR scholarship and welcome to the cohort of 2023 scholars. This year's theme – Talents for Science – acknowledges your accomplishments and your potential to elevate scientific research to greater heights.

To realise this potential, we encourage you to embody the qualities of courage, commitment, and character. Venture into uncharted fields with curiosity, dedicate yourself to continual learning and improvement, and always have integrity in all that you do.

The A*STAR Graduate Academy is committed to empowering you with the necessary guidance and support as you forge your careers in science and technology. Remember that you are part of a community that will walk alongside you in this journey.

Embrace the opportunity to make the most of your potential, while also recognising the impact you can have on the world around you. We look forward to the scientific advancements that your unique talents and abilities will bring to bear for Singapore and beyond.

Ms Tay Chay Wah
A*STAR Graduate Academy

NATIONAL SCIENCE SCHOLARSHIP (BS)

The National Science Scholarship (BS) supports undergraduate studies at leading universities. Individuals with outstanding performance will be supported for PhD training.

NATIONAL SCIENCE SCHOLARSHIP (MASTERS)

The National Science Scholarship (Masters) supports and trains undergraduates for professional work in a commercial or industrial career where some research experience is valuable.

BIOMEDICAL SCIENCES

Lim Yong Shan

Imperial College London

NATIONAL SCIENCE SCHOLARSHIP (MBBS-PhD)

The National Science Scholarship (MBBS-PhD) is awarded to students who aspire to be Clinician-Scientists. They would be pursuing their Medicine and Doctor of Philosophy (MB-PhD) education at one of the top overseas universities.

BIOMEDICAL SCIENCES

Muzammil Arif Din S/O Abdul Jabbar University of Cambridge

NATIONAL SCIENCE SCHOLARSHIP (PhD)

The National Science Scholarship (PhD) supports PhD education at leading universities and research institutes.

BIOMEDICAL SCIENCES

Chew Yi Ting Yale University
Chua Jia Qi To Be Confirmed

A*STAR COMPUTING AND INFORMATION SCIENCE SCHOLARSHIP

The A*STAR Computing and Information Science Scholarship aims to attract and nurture top talents who wish to pursue a PhD in computing and information science disciplines, opening the gateway to exciting careers in A*STAR, industry R&D labs, technology enterprises, spin-off companies and academia.

The scholarship supports PhD education at local autonomous universities, in partnership with A*STAR research institutes.

SCIENCE AND ENGINEERING

Chen Zhiliang	National University of Singapore
Do Xuan Long	National University of Singapore
Kennard Chan Yanting	Nanyang Technological University
Sim Shi Qian	National University of Singapore
Wang Li Rong	Nanyang Technological University
Zhao Yinjie	Nanyang Technological University

A*STAR INTERNATIONAL FELLOWSHIP

The A*STAR International Fellowship supports post-doctoral training at top overseas universities and research institutes.

BIOMEDICAL SCIENCES

Lee Jia Hui Jane	University of California, San Francisco
Tong Wen Han	Harvard University
Xiong Qiancheng	Harvard University

OUR MISSION

We advance science and develop innovative technology to further economic growth and improve lives.

The Agency for Science, Technology and Research (A*STAR) drives mission-oriented research that advances scientific discovery and technological innovation. We play a key role in nurturing and developing talent and leaders for our Research Institutes, the wider research community, and industry.

Our research creates economic growth and jobs for Singapore. As a Science and Technology Organisation, we bridge the gap between academia and industry in terms of research and development. In these endeavours, we seek to integrate the relevant capabilities of our research institutes and collaborate with the wider research community as well as other public sector agencies towards meaningful and impactful outcomes. Together with the other public sector entities, we develop industry sectors by:

- » integrating our capabilities to create impact with Multi-National Corporations and Globally Competitive Companies;
- » partnering Local Enterprises for productivity and gearing them for growth; and
- » nurturing R&D-driven Start-ups by seeding for surprises and shaping for success.

Our research, in addition, also contributes to societal benefits such as improving outcomes in healthcare, urban living, and sustainability. These serve to enhance lives in Singapore and beyond.

OUR VISION

A global leader in science, technology and open innovation

The Agency for Science, Technology and Research (A*STAR) is a catalyst, enabler and convener of significant research initiatives among the research community in Singapore and beyond. Through open innovation, we collaborate with our partners in both the public and private sectors, and bring science and technology to benefit the economy and society.
